GLASS DESIGN è un'eccellenza Italiana nella produzione e nel design di lavabi e complementi d'arredo bagno.

GLASS DESIGN is an Italian excellence in the production and design of bathroom washbasins and interior decoration furnishings.

Situata a Vinci, cuore della Toscana e città di "Leonardo da Vinci", Glass Design è stata fondata nel 1984 dalla famiglia Borsellini, dopo una pluriennale esperienza nella manifattura del vetro artistico. Utilizzando materiali tecnologicamente avanzati, come il Silicio o l'Inox e, lavorando ad arte su materiali tradizionali, come il cristallo molato o il vetro artistico, Glass Design contribuisce alla creazione di un nuovo stile dove l'accessorio, curato nei minimi dettagli, diventa il soggetto principale dell'ambiente, un vero prodotto "moda", apprezzato nel mondo ed esportato in più di 60 paesi.

Oltre 200 artigiani Toscani e una quindicina di vetrai muranesi appartengono alla filiera produttiva aziendale, permettendo di adattare ogni prodotto ad esigenze e richieste specifiche del cliente, con infinite personalizzazioni realizzando così, prodotti unici ed esclusivi.

Located in Vinci, in the heart of Tuscany and native town of "Leonardo da Vinci", Glass Design was founded in 1984 by the Borsellini family, further to a long tradition in manufacturing artistic glass. Both by using technologically advanced materials such as stainless steel or silicone, and by working in an artistic way with traditional materials like the formed 24%pb crystal and the artisan glass, the company Glass Design contributes to the creation of a new style, where even the accessory is addressed in all details, becoming the main subject of the environment, a true "fashion" product, highly appreciated in the world and exported to more than 60 countries.

Over 200 Tuscan artisans and more than 15 glassmakers of Murano work within the company's production chain, enabling the customization of each product to suit individual needs and specific requirements, in order to create unique and exclusive products.
