La componibilità è la forza di Inka.

2 misure di lavabo, che possono essere disposti singoli, in coppia, affiancati in linea, o montati su un mobile.
Non mettere limiti ai tuoi desideri di design.

Modular design is Inka's greatest strength.

Inka washbasins come in two sizes and can be cabinet-mounted or arranged alone, in pairs, or in rows.
Don't hold back on the designer touches you've dreamed of.

LAVABI DI ARREDO_ WASHBASINS

Appropriarsi di codici diversi riscrivendo la grammatica delle forme conosciute all'uomo. Circolari, semicircolari, rettangolari, quadrati, monoforo o a due vasche, sospesi, da appoggio o a parete, incassati o semincassati: la geometria diventa creativa e invita a personalizzare l'ambiente bagno.

Offers us a new language code by rewriting the grammar of shapes known to man. Circular, semicircular, rectangular, square, single or double basin, suspended, pedestal or wall-hung, recessed or semi-recessed configurations: geometry becomes creative and invites you to add a personal touch to the bathroom environment.
