AXA

Ricercando dal 1995 la più armonica fusione della tradizionale esperienza, consolidata dal comparto industriale di Civita Castellana, al nuovo concetto emozionale di stanza da bagno come centro espressivo dell' ambiente casa, AXA, conservando ed esprimendo con successo i valori di un'azienda familiare, completa espressione dell' originale artigianato Italiano globalmente riconosciuto e simbolo di eccellenza nella combinazione di design, funzionalità e qualità, e concentrata nella continua ricerca di nuovi gusti e tecnologie tese a promuovere la tutela dell'ambiente ed il risparmio energetico, è lieta di presentare... il suo rinnovato spazio Bagno... augurando a tutti una piacevole visione!

Since 1995, AXA has sought harmony between traditional experience, strengthened by the industrial sector of Civita Castellana, and the new emotional concept of the bathroom as the expressive centre of the house ambience. AXA, preserving and successfully expressing the values of a family company – itself a complete expression of original, globally-renowned Italian craftsmanship and symbol of excellence in the combination of design, functionality and quality – has always focussed on a constant search for new interests and technologies aimed at promoting the protection of the environment and energy conservation. Now AXA is proud to introduce... its renewed Bathroom area, wishing everyone a pleasant viewing!

ROMANO **ADOLINI**

Romano Adolini, architetto e designer, noto per la sua particolare ricerca legata al territorio viterbese ed alle tecniche costruttive che prevedono l'uso del tufo, si dedica dal 2000 allo sviluppo di progetti nel settore del bagno, vantando collaborazioni con Boffi, OLI, Axa e Kerasan. Ha ottenuto diversi riconoscimenti e premi tra cui il Design Plus 2003 e due segnalazioni per il Compasso d'Oro per le edizioni 2003 e 2004 dell'ADI DESIGN INDEX.

NORIM

Grande risparmio d'acqua ed una pulizia più semplice ed efficace: questi sono i risultati innovativi del sistema NORIM. L'acqua entra con grande dinamicità e si distribuisce in maniera uniforme su tutta la superficie. Con il sistema senza brida, il vaso viene pulito con maggiore forza e senza spruzzi, garantendo un risultato più efficace nel tempo, ed un sanitario più bello e funzionale a lungo.

Considerable water savings and easier and more efficient cleaning: these are the truly innovative results of the NORIM system. Water enters with great dynamism and is distributed more evenly over the entire surface. With this rim-less system, the toilet is cleaned with greater strength and without splashing, ensuring more effective results over time and a more beautiful and functional bathroom fixture for longer.
